

# We're not your typical TPA partner.

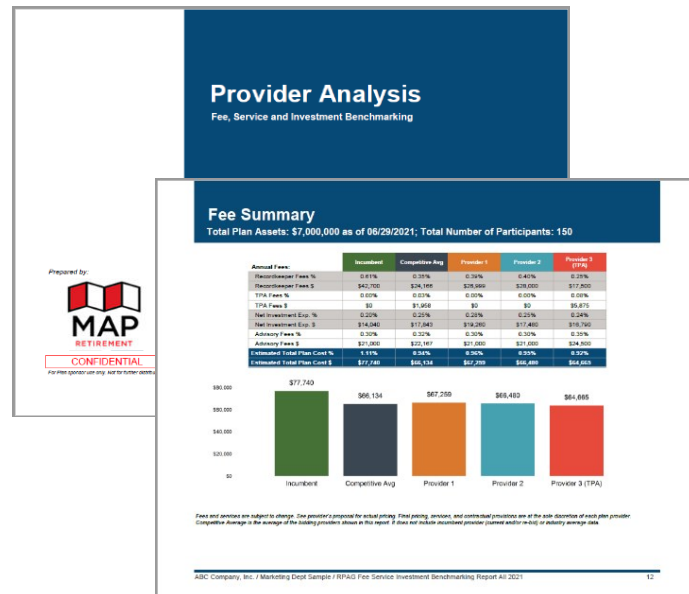

Our Advisor, Consultant and Accounting partners tell us that their time is the most valuable thing they have, and they need more of it. They also tell us that being able to leverage additional expertise to solve problems and bring value to their clients is what they need from every great partner. MAP delivers on both.

Be more efficient, save time, and avoid unnecessary phone calls and emails to you and your staff.

## Proposals & Provider Analysis Assistance

Let MAP help you do the heavy lifting

1. **Stop** requesting proposals from multiple recordkeepers, making many calls
2. **Stop** all the follow up calls to you and your staff
3. **Stop** all the follow up emails to you and your staff
4. **Stop** putting presentations together
5. **Stop** analyzing services for cost
6. **Stop** disappointing more partners than you please
7. **Start** being more **efficient**, gain more **time** for your clients, prospective clients, your staff, and yourself.
8. **Let MAP** make the calls and compile the data for you.

## Have a Different Conversation with your Business Client.

Deliver Bottomline Value to Their Business!

### Merchant Transaction Cost Analysis

1. Does your client accept credit cards for payment?
2. When was the last time they reviewed the cost?
3. MAP has developed a unique, exclusive agreement with a firm that will analysis the charges and cost associated with credit card transactions.
4. It's easy and has no upfront expense for your client.
5. Gather 3 months of detailed merchant transactions statements and leave the rest to MAP and our partner.

### Treasury Optimization

1. 85% of business overpay for banking services
2. Our Partner will review and analysis
  - a. Bank transaction fees
  - b. Foreign exchange fees
  - c. Deposit (ECR and Interest Rates)
  - d. Credit Card Rebates
  - e. Merchant Processing Costs
