

Retirement Plan Advisor Interview Worksheet

Gather the Information You'll Need for a New Retirement Plan Client.

Once you've identified a prospective client, engage the plan sponsor in a discussion that will help you understand their plan and the changes that may better meet their needs.

This worksheet provides additional questions to ask that will enable you to prepare for point-of-sale with a customized proposal.

Once you've completed this worksheet, contact your MAP Retirement Plan Sales Team.

Investments are not FDIC-insured, nor are they deposits of or guaranteed by a bank or any other entity, so they may lose value. Investors should carefully consider investment objectives, risks, charges and expenses. This and other important information is contained in the fund prospectuses and summary prospectuses, which can be obtained from a financial professional and should be read carefully before investing.

Questions to Ask About a Takeover Plan
